

# KSM SHIKKHA-SHEBA TRUST

## (KSM Education-Service Trust)

For building an ideal milieu and healthy society, the significance of coordinated educational institutions equipped with Islamic, technological, and science-oriented modern education is undeniable in the present society. To cope with the concurrent environment, the youth, especially the students need to have multi-dimensional technical knowledge and training for personal as well as societal development. Besides, providing primary healthcare services to the underprivileged and common section of the rural population is also essential. Considering all these objectives, KSM Education-Service Trust has established **KSM Shikkha-Sheba Complex** with the active help and direction of the local people. The Trust is a great and felicitous initiative for social welfare. It is truly a non-profit seeking and apolitical endeavour solely dedicated to the social causes.

**Location of the Complex:** The activities of this Education-Service Complex are being run in the surroundings of an old mosque; encompassing a total of ten bigha (app.) land filled with rural beauty and greenery. The mosque is situated in the middle of Dattail-Shambhunagar village in Chuadanga district. The present Board of Trustee is hopeful of increasing the Complex premises in the near future.

**Management:** KSM Education-Service Trust administers all the activities with the help of two wings: Mosque-Centric Education Wing and General & Technical Education-Service Wing. Mosque-Centric Education Wing conducts all the activities through Mosque Committee. General & Technical Education-Service Wing administers all its activities through two separate Councils: Academic & Governing Council (AGC) and Working & Activities Co-ordination (WAC) Council.

■ **Academic & Governing Council (AGC):** This Council consists of renowned personalities from different universities, local accomplished persons, educationists, and public representatives. As advisor, the work of this Council is to carry out responsibilities related to general-technical-Islamic-education-service and other ancillary activities that lead the Trust to the acme of its success.

■ **Working & Activities Co-ordination (WAC) Council:** This Council comprises local social workers. For advising and carrying out the plans into reality, the members of the Council with the active participation of the nominated people by the trust are to supervise the overall educational, societal and welfare-oriented responsibilities of the Complex and render public services to all. This Council is the key driving force for all activities of the Complex. The Council directs and advises the Trust concerning the overall development and amelioration of the activities, involves common people and service-seekers with the institution, runs the activities by monthly donation, participates as the representative of community members and social workers, and liaises and synchronizes with different activities. Most importantly, WAC Council carries out its responsibilities as the centre of all activities of the Trust.
